Notes from the bush...

All's a little quieter in the bush now, there are few cars on the plains and the rain has started to fall. It certainly is a beautiful time of year and the Mara, in our opinion is at its finest. At Musiara Marsh there was a sighting of over 200 Elephants all enjoying the water logged swamp, 15 lions relaxing on a termite hill surveying their land, herons and kingfishers enjoying plentiful food, buffalo and warthog seeking relief in muddy wallows, life is relaxed and successful.

If you're at a loose end this Easter, come down and join us in the lush land of plenty!

New Office & Boutique make over!

The biggest news for the team here at Naibor is our new office and small boutique make over! We have now joined the office and boutique together creating a shady, chilled out area in the middle where you can enjoy a cold beer (or cup of tea!), keeping tabs on what's happening down on the river below, whilst emailing your family and friends using the wi-fi. Jealous? They will be! It's the best office in the world...

Naibor's New Arrivals

We have yet more Hippo births! Joining our most recent arrivals of Stanley and Humphrey, we would like to offer a very warm welcome to Olsakelu! Our newest edition to the pod was named by Olly, Sam, Keira and Luca from the Maskell & Bowden Families who were lucky enough to witness his arrival into the world whilst eating lunch – incredible!

Photographs – the editor's pick of recent Mara images

We just love this shot! Taken by Omar from London, UK, it captures the essence of this truly magnificent creature, well done Omar, beautiful!
