

Naibor

February 2010

Naibor has started off a new season with the sad departure of Jamie and Sophia who have been fabulous and we wish them both well. However we are anticipating the exciting arrival of Vicki and Adam Kennedy, an English couple who have been working in Tanzania for the past two years, who will be the new managers as of February 24th 2010. Both Adam and Vicki come from Tanzania where they have had experience running remote camps and we welcome them into the Naibor family. In between we have had Craig Fox who has been standing in as temporary manager, who has done a fantastic job. Craig will continue on at Naibor giving the guides some extra training on top of their KSPGA training for the next few months.

Adam And Vicki, our new Naibor Camp Managers

We would like to congratulate our guide, Nelson, for his passing the KSPGA silver medal exam and we are pleased to announce that we now have a silver medal holder as a guide at Naibor. All other guides are at the Bronze level and we continue to assist them with their guide studies.

Naibor had a fantastic 2009 Migration with majority of clients seeing one or more of the great crossings plus numerous successful hunts. There were many sightings of all the cats, Rhino and even the birth of a hippo, which was viewed from the Naibor mess tent.

Both the Naibor Shop and Spa are doing well. Through the shop we are selling local beaded Masai items, made by many of the wives of those who are working in the camp itself. The Spa hosts a great many treatments from massages to pedicures.

Naibor Camp has started up “The Naibor Conservation Fund” where all donations go towards various different conservation and community projects. This exciting new development means that all clients will be able to donate to the Rhino project which is trying to support the Black Rhino population in the Masai Mara and the Talek Clinic that spends a lot of its time helping the local communities around the Talek area, plus a host of other conservation and community projects. In order to donate please contact us on enquiries@naibor.com.

We are now also handling all our own bookings. For any bookings or special offers please contact Charles on enquiries@naibor.com, or on telephone +254 (0)20 2513147 or mobile +254 (0) 729 406582.

2010 has started fantastically for Naibor and if that’s anything to go by Naibor will have another great year in terms of wildlife and the new conservation projects we are now involved in.

We look forward to hosting you at Naibor!
